

Accident replacement - Credit car hire

Non Fault Accident?

If you've been involved in an accident which wasn't your fault then you may be entitled to a replacement vehicle just like your own. This claim will not be made through your insurance, but through our solicitors who will charge the insurance company of the person at fault.

Once we have established the accident is not your fault and your car is not in a suitable condition to be used on the road or for work purposes we will deliver a car to your door.

Our comprehensive fleet of vehicles include prestige cars such as Ferrari, Lamborghini, Porsche, Rolls Royce, Bentley, Aston Martin, Mercedes, BMW and many other marques.

Injured in an accident?

Did you know that if you were hit by another vehicle whilst you were driving or as a passenger you could be entitled to a compensation payout?

If you had any physical problems after an accident such as muscle pain, neck pain, back pain to more serious injuries like broken bones then you are entitled to claim compensation.
